MY EXPERIENCE

Global Partners in Education

Student: Berenice Mendoza
Quispe

About Me:

- I am Berenice Mendoza.
- Enviromental engineering student.
- 22 years old.
- Ninth semester.

About the program?

Global Partners in Education is a course that is born from the initiative of East Carolina University

Is one opportunity for cultural enrichment and knowledge sharing.

It allows them to expand their horizons and establish new ties with chat, video conferencing and project work.

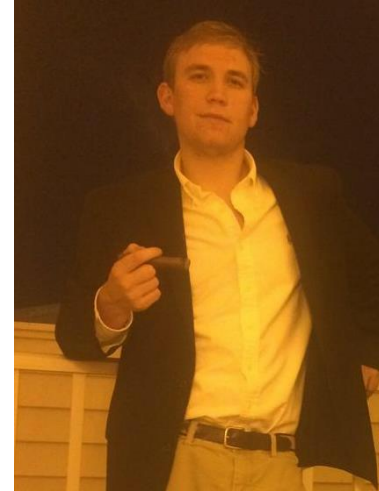

Benefits

- Be part of a partnership with global recognition
- Promote academic exchange spaces without having to leave the country
- Expand employment and academic horizons
- Learn multiple cultures and meet amazing people
- Personalized advice of two excellent teachers.
- Develop your empathy and effective communication
- New Vocabulary.
- Assess your culture and your country..

UNITED STATES

I would recommend this program because it lets you know young people who have different perspectives, allows you to increase your vocabulary, develop your empathy and have an exchange program cultural. Now I have two friends for life. Thanks you I Global Partners in Education.

Thank you!
